Subject: Your request from 21 December 2015

Your ref.: L.dz. 684/KRIA/2015

Dear Mr Gruda and Mr Ozimek,

Thank you for notifying the Publications Office about this issue with the Polish version of Directive 2014/24/EU.

The Publications Office had published the Directive as received from the Council for publication in the Official Journal. Any corrigendum to the content of an adopted published act must be initiated, drafted and adopted by the author institution.

For that reason we have forwarded your letter to the Legal Service of the Council, the Council being in charge of the acts adopted by co-decision.

The lawyer-linguists have examined the Polish translation and confirmed that the error must be corrected. They further stated that the corrigendum procedure will be launched in due time.

Kind regards,

Valeria SCIARRINO
Head of Unit
